

The **RED SCARF** **CAMPAIGN**

*A project to
raise awareness
around HIV/AIDS.*

WE NEED YOUR HELP.

The HIV/AIDS Resource Program will be collecting and distributing hundreds of red scarves around Sault Ste. Marie for HIV/AIDS Awareness Week (Nov. 23 - 27, 2015).

Scarves will be free for the taking. Each scarf will have an HIV information tag pinned to it.

Our goal is to educate the community, raise awareness around HIV/AIDS, and encourage everyone to get tested.

WE NEED YOU!

If you knit, crochet, sew, or craft, you can help by creating a red scarf and donating it to the campaign. Not creative? Find or purchase a red scarf to donate.
