

**THE
AIDS THUNDER BAY
CLIENT FEEDBACK SURVEY
WE LISTENED!**

Last year, through the Health Agenda Review process, you gave us valuable feedback into our people, programs and services. Did we listen? Yes! Here's what you told us:

- **You wanted programs offered in the evenings to be more convenient to attend**
- ✓ We delivered! Support group was changed to evenings and is now held bi-weekly to meet the needs of those attending.
- ✓ Facilitators have also put out a yearly calendar of events to give everyone a chance to book their activities far in advance
- **You wanted us to integrate services for those living with HIV and/ or Hep C**
- ✓ We delivered! The education group has become an integrated Poz Support Group that is open to both those living with HIV and/or Hep C
- **You wanted us to increase the level of involvement of PHA's and those living with Hep C**
- ✓ We delivered! ATB has hired an additional 4 staff to round out the MOIP team

**This is your chance to tell us what you think.
Don't miss out on this important
opportunity.**
