

PEER NAVIGATOR CODE OF ETHICS

I value my role as a Peer Navigator and in order to best fulfill that role, I will:

1. Respect individual differences, including choices people make that may not be my own.
2. Act as a role model, making healthy choices and being true to myself.
3. Honor diversity in all its forms.
4. Maintain confidentiality.
5. Learn as much as possible about the issues that affect my peers.
6. Only offer information that I am qualified to offer and with the greatest accuracy possible.
7. Follow through on my word and promises. But not make promises that are beyond my scope.
8. Meet HIV+ people where they are at in their journey towards healing and positive change.
9. Accept supervision and support from others.
10. Not allow my peer duties to put my emotional or physical well-being at risk.
