

What's your status?

HIV doesn't care where you live.

HIV doesn't discriminate. A new test makes it easy and accessible for everyone to know their status. So get tested, know your results in just 60 seconds and live a lifetime. Treatments now keep people who are HIV positive alive for a lifetime and prevent the spread of new infections.

Go to whatsyourstatus.ca or call toll free **1 855.900.TEST** for more information and locations for testing in the DTES.

IF YOU ALREADY KNOW YOUR STATUS IS POSITIVE YOU ARE STILL ABLE TO PARTICIPATE IN OUR EVENTS
