Total Priority Value	Priority Scale	Definition
zero	Complete	Site has successfully completed routine testing and/or POC implementation
1	Abandoned	Have attempted implementation but abandoned at this time
2 through 6	Hold - Low Priority	Site has been approached for implementation but low priority at this time
7	In Progress - Medium Priority	Site is being implemented. Dependent on availability of implementation resources.
8 through 11	In Progress - High Priority	Actively working with site to implement
