Re: Mr. X PHN ##### ### ##

Dear Dr. XYZ

Mr. X (Case # 2014-#####), for whom you provided care for at SPH Emergency Department on May 9, 2014 tested positive for HIV. Public health has followed up your behalf. Your patient was informed of the diagnosis, provided counseling, linkage to care and partner notification services. If you would like to receive specific information on this patient and their follow up please call *VCH Communicable Disease Control at 604-675-3900* and ask to speak to on-call public health nurse. Thank you for providing the opportunity for diagnosis and care for this patient.

Sincerely,

Dr. Réka Gustafson, MD, FRCPC, Medical Health Officer, Vancouver Coastal Health.
