The logo consists of the word "totally" in a small, white, lowercase sans-serif font at the top. Below it, the word "out" is written in a large, white, lowercase sans-serif font with a thick orange outline. To the left of the "out" is a graphic element: a white five-pointed star inside an orange circle, which is further enclosed by a thin, grey, double-lined circular border. To the right of "out", the word "RIGHT" is written in a large, orange, uppercase sans-serif font, slanted to the right.
